Tranquillity...

Every attention to detail has been made to ensure your complete comfort.

Seafields has been designed with luxury, style and our guests' comfort in mind. Our lavish suites are beautifully appointed and have magnificent sea views that create the perfect retreat within a retreat.

Enjoy breakfast in Seafields's sun-lit dining room or on the expansive patio with panoramic

sea views overlooking boats moored in our channel and beyond to the islands of the Gulf. Relax by the outdoor fireplace whilst enjoying a barbeque utilising locally sourced produce, choose from a wide selection of local restaurants or alternatively book our chef to create a delicious menu for you.

Seafields, where relaxation meets luxury.

peace...

"Rest is not idleness, and to lie sometimes on the grass under the trees on a summer's day, listening to the murmur of water, or watching the clouds float across the sky, is by no means a waste of time" John Lubbock (English Biologist)

Soak up the luxury of our jacuzzi, sauna or enjoy a relaxing therapeutic massage. Let your worries float away in our infinity pool, where the pool's edge blends seamlessly with the ocean. Unwind whilst taking in the gentle sounds of cascading rock pools, meander through landscaped gardens to the foreshore and water activities. Stunning domestic Bengal cats frolic in the sun and discreetly grace the landscape with their wild, exotic appearance.

seclusion...

There are a myriad of activities

to help you truly immerse yourself in the beauty of the Hauraki Gulf, including bird watching, stunning coastal walks, harbour cruises, wine trails, private garden visits, art galleries and museum tours. Or for the more energetic there is sea kayaking, sightseeing by helicopter, skydiving and gliding, fishing charter trips, sailing charter trips, guided tours on horseback, polo and polo tuition or golf. Seafields is located within minutes of Formosa, one of New Zealand's leading golf courses.

Seafields also provides the perfect setting for your intimate wedding, boutique conference or product launch.
